4/ The preamble to the bye laws would make it appear that they are intended for the control by issue of licenses of the sale of meat intended for human consumption within the Mysore -- Municipal limits in public markets and also in private places. But the Municipality has already passed the bye-laws for the sale of -- meats in public markets under Section 48(1)(a) along with those for the sale of fish or -- vegetables therein also intended for human consumption as food.

5/ Under Section 48(1)(b) (xii), under which the present bye-laws are purported to be passed, the Municipal Council can frame bye-laws only as regards any place not belonging to the Municipal Council and intended to be used as a market or shop for the sale of animals - intended for human food, or of meat or fish etc The bye-laws that can be framed under this clause are to be found in the Bombay Model Bye-laws If, at all, the Municipality can frame bye-laws on the lines contained -- therein and the bye-laws now sent up are not properly drawn up No licenses is contemplated for public markets The Municipality can only fix the rent and other charges to be levied for which power is already taken under the existing bye-laws This will, if approved, be pointed out to the Municipal Council and they will be requested to frame bye-laws if required for the control of private markets under the above sub-clause (b) (xi) for issue of licenses on the lines of the Bombay-Contd. 6) I have carefully gone into the matter
1) The Bye-laws are defective in several particulars
2) Though the Preamble mentions Sec 48 (b), the Bye-laws have not been framed by the number of market-places belonging to the Municipal Council in Cl 2 of the Preamble makes it doubtful whether it is necessary to take a licence to sell meat in public markets - Under Sec 48 (c) this is not necessary
3) The object of the Council is to frame Bye-laws regarding the grant of licences to sell meat in places other than public markets It is, therefore, better to amend the wording of Cl 2 by stating that a licence shall be taken for the use of any premises, place as a butcher-shop for meat as in the Bombay Bye-laws (2 Hay 7)
10) There are no conditions prescribed for sanitation & cleaning of the place to be used as in Bombay bye-laws (2 Hay 7)
11) These defects may perhaps be brought to the notice of the Council & Executive to revise the Bye-laws accordingly

Sir,

With reference to your letter No 121 dated 12-2-25 forwarding copies of the draft bye-laws framed under section 61(1) & (2) of the Alleppey Municipal Regulation, I am directed to state that the Bye-laws are defective in several particulars. Though the preamble mentions that the bye-laws are framed under the above sections, yet the marginal note to the Travancore Bye-laws relating to the Municipal Council in clause 2 of the preamble makes it doubtful whether it is necessary to take a license [illegible]

over

meat in public markets under
section 4 § (a) this is not necessary
It is thought that the object of the Council is to
frame Byelaws regarding the grant
of licences to sell meat in places
other than public markets. It
is therefore better to amend or modify
clause 2 by stating that a licence
shall be taken for the use of any
private place as a market or shop
for sale of fresh meat in Bootle

Byelaws to be contained for
[illegible] There are no conditions
prescribed for sanitation and
cleaning of the places to be
used as aforesaid

P. I am therefore to suggest
you to kindly bring the matter

and submit a Report by
